

1... Dream A Garden

*Come into the circle
circle of life
come into the dream of
a paradise...*

*with your hands
with your heart
with this land
we can make a new start...*

Endless thanks to our friends who donated items to our fabulous auction, the Great Leap performers, musical guests and auctioneers, the Event Committee and Board, and to all of you who laughed, ate chicken wings, mochi, shared sangria, danced with us, and donated money to help support Great Leap's fantastic multicultural programs.

Your participation in the "I Dream a Garden" Reception and Auction was a gift that is truly appreciated.

In love and peace,
Great Leap
